

# Business Spotlight Program \$100

Maximize your exposure at the  
2011 Washington County Fair.

Visitors to the commercial booth area will have the chance to qualify for major prize drawings by visiting 12 "Spotlight" booths and receiving a validation stamp. We will print more than 3000 spotlight cards with your business name on it and distribute them to visitors. Spotlight booths will be marked with balloons to make them easy to find. The cost is only \$100 but this opportunity is limited to the first 12 responses.

If you have any questions about the spotlight program or anything concerning commercial booths please contact
